

plantlogic

innovative products
for smart growers

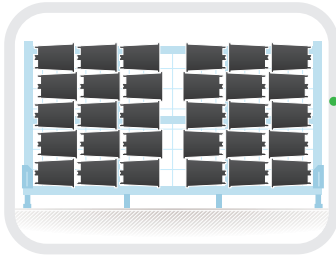

7

Liter Square Pot

Ideal for substrate production

Improves drainage and oxygen uptake to support healthy roots and plant vigor.

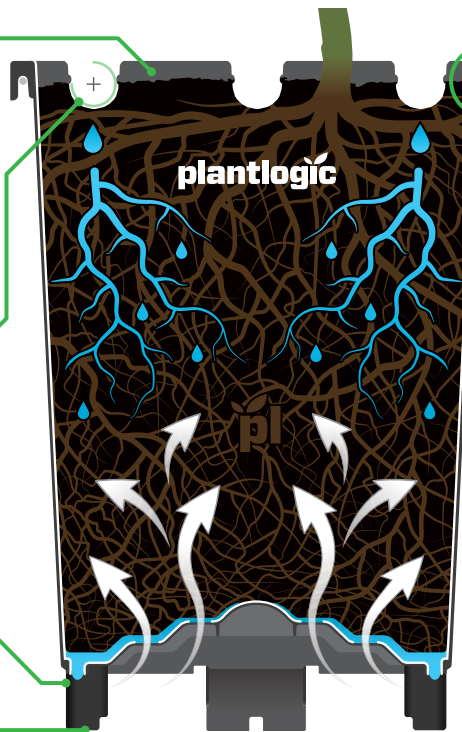

High cold storage efficiency
More units per bin.

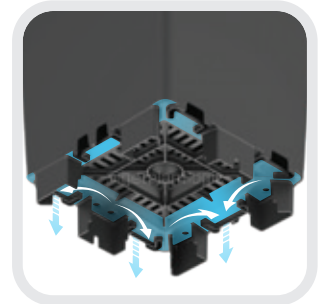

Optional 20 mm U-Grooves for better placement of irrigation pipes.

3 cm tall legs prevent root contact with soil and pathogens.

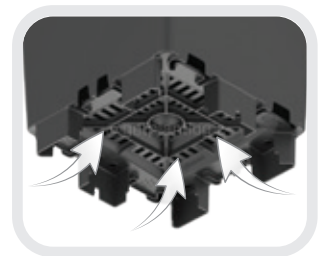

Easy fit on a single and double channel metal gutter.

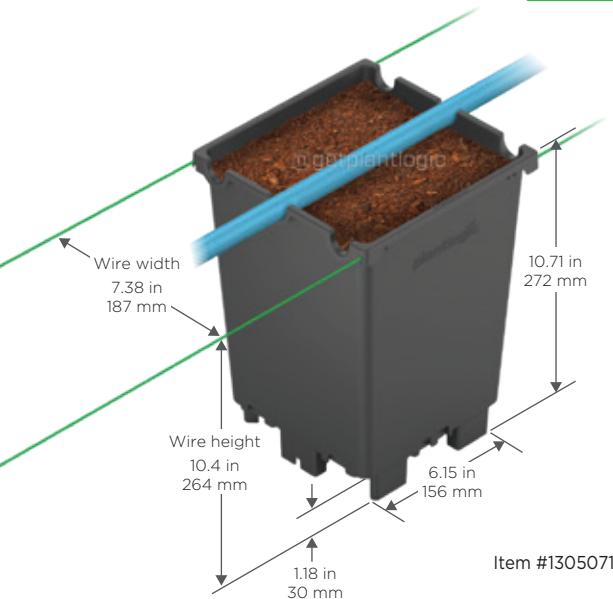

Hooks for stabilization
Handle easily hooks to trellis wire, stabilizing pots to prevent tipping over of young canes.

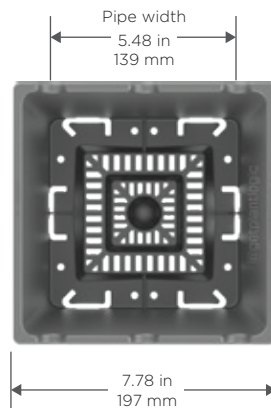

Excellent drainage
Pyramid base forces water to drain at the outside edges, minimizing wet zone.

Airflow and oxygenation
Non-draining central holes allow oxygen uptake in center of root mass, and prevents roots from growing down.
