innovative products  
for smart growers

## Rivus Slab Base

**NEW  
PRODUCT!**

**Costs much less**  
than other plastic and  
metal gutters.

**Doesn't require  
ditches or gravel**  
under slabs.

**6cm tall platforms**  
helps keep open airflow  
underneath slab, roots out  
of the drainage preventing  
contact with pathogens.

**One piece design  
is easy** to install and  
maintain.

**Excellent solution for hydroponics growth.**

Tomato

Pepper

Eggplant

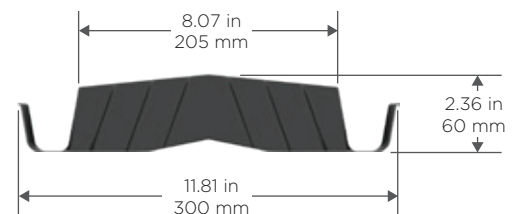

Cucumber

Chili

Strawberries

\* Delivered to farm in 4m pieces.
