# plantlogic

innovative products  
for smart growers

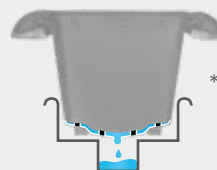

## Dimensions

Pot

Item # 1305209

\*Fit 16 cm metal gutter.

Available colors:

Black

White

Terracotta

### **A** Maximize the crop area

Overlapping handles saves space along row. Additionally, wide handles provides strawberry truss support.

Also compatible with **Plantlogic Hi-Grow System**.

### **B** Air flow

Non-draining holes allow oxygen uptake in center of root mass, and prevents growing down.

### **C** Excellent drainage

Our unique base design forces water to drain from the center holes, minimizing the wet zone.

### **D** Drainage holes suitable for narrow gutter

Allows the collection of drainage and/or leachate into an economical gutter, separated from plant roots.
