## Dimensions

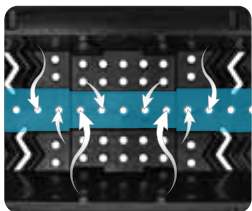

### A Overlapping handles

saves space along row and are compatible with **Plantlogic Low-Grow System**.

### B Air flow

Non-draining holes allow oxygen uptake in center of root mass and prevents roots from growing down.

### C Excellent drainage

Our unique base design forces water to drain from the center holes, minimizing the wet zone.

### D 100% drainage collection

Keeps ground free of water and fertilizer by collecting all drainage into an economical gutter. Avoids debris and algae buildup in gutter.
