

40
Liter

Square pot with U-grooves & side holes

Engineered for higher yields and lower risk.

plantlogic
innovative products
for smart growers

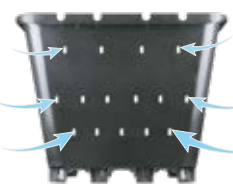

A U-Grooves

16 or 20 mm U-grooves specially made for better placement of irrigation pipes.

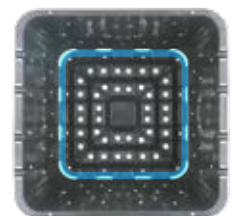

B Airflow & oxygenation

Non-draining central holes allow oxygen uptake in center of root mass, and prevents growing down.

C Side holes

Side holes improve substrate aeration, promoting healthier roots.

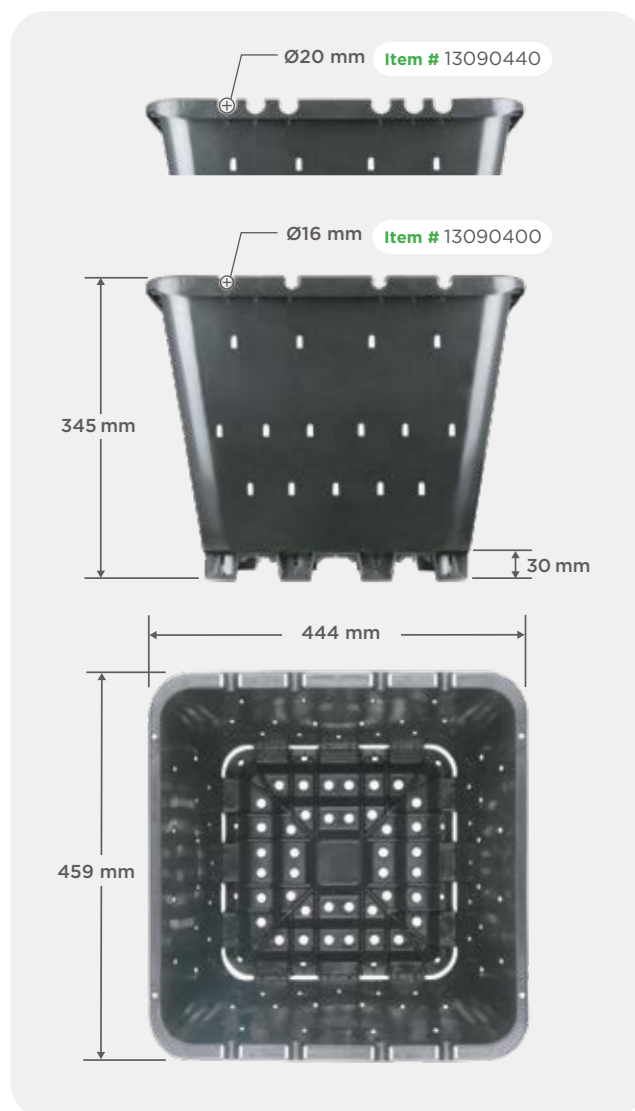

D Excellent drainage

Pyramid base forces water to drain at the outside edges, minimizing wet zone.

E Stabilization clips (optional)

The stabilizing clip secures the pot onto the Trellis system to prevent it from tipping over.

Available colors:

Black

White

Terracotta
